Fundraising Concert

for Habitat for Humanity
Bangladesh & Cambodia Projects

This fundraising concert is in support of the international non-profit organisation Habitat for Humanity, the net proceeds will be donated to their Bangladesh and Cambodia Projects.

Driven by the vision that 'everyone needs a decent place to live', Habitat for Humanity began in 1976 as a grassroots effort. The housing organisation has since grown to become a leading global non-profit organisation working in nearly 70 countries. Habitat for Humanity works locally in Hong Kong, mainland China and across the Asia-Pacific region, to help families achieve the strength, stability and self-reliance they need to build better lives for themselves. Financial assistance and volunteers from Hong Kong have contributed to Habitat for Humanity in supporting more than 9.8 million people globally.

The Work of Habitat for Humanity

1. Disaster Response

Habitat mobilises volunteer groups to clean-up and to distribute Habitat emergency shelter kits which help families make immediate repairs and construct temporary shelters. Reconstruction begins when the ground condition safely allows. Habitat provides both technical and organisational expertise in shelter construction.

2. Global Village

Global Village is Habitat for Humanity's principal overseas volunteer programme. It offers volunteers the opportunity to take part in the construction and renovation of houses in 70 countries around the world, including areas affected by natural disasters such as floods and earthquakes.

3. Young Leaders Build

The annual Young Leaders Build invites young people across the Asia-Pacific region to build homes and communities to support families in need of decent homes.

4. Project Home Works

Project Home Works partners with different social services organisations to improve the living conditions of low income families, the elderly and the physically-disabled by providing house repairing services.

Your generous support will truly be a blessing to others!

Please visit habitat.org.hk or facebook.com/HabitatHK for details of the work, donation and volunteer programmes of Habitat for Humanity.
